Q2

Electric City HOG #4769 is trying their best to enjoy a good riding season, but Mother Nature has changed our plans a bunch of times! In April, we had 3 Romeo rides, and in May, we had 2 Romeo rides. The weather has affected our ride plans too much. Yes, there

was a drought, and yes, we needed rain, but

...

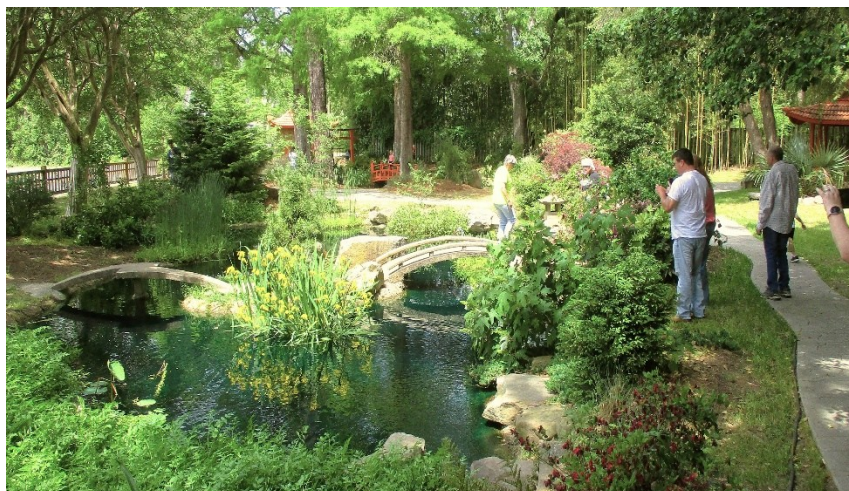

April 30 through May 2, Timms sponsored a weekend get together for a group of ladies from out of town mostly, who were in Anderson to celebrate International Female Ride Day (IFRD) 20th Annual recognition of female riders. Our Ladies of Harley, our sponsor dealership Timms Harley-Davidson of Anderson as well as other Electric City HOG members, stepped up, supported, and volunteered in different ways that helped make the Electric City Ladies Ride a success. We had two days of guided rides, meals, and a band, mixed with laughs, fun, and camaraderie.

Recent Outings

EHOG has been exploring our section of the world the past couple of months. Just to highlight a few examples, Melissa led us on a good ride in April to Watson's Mill Covered Bridge and a lunch stop in Royston, GA for Mexican food. Also in April,

I directed a group to Newberry, SC for a Japanese Garden tour, an orchid farm tour, and a loud parrot.

In May, our members explored Hendersonville, NC, Maggie Valley, and Walnut Grove Plantation. Since I could not make it to any of those that means we have to go back, right?

Up and coming meetings and get-togethers

The next meeting of Road Captains will take place on Thursday, June 18, 6:00 PM at Arnolds of Anderson. Any members interested in planning and leading rides, please attend and get rides on the calendar.

Our Ladies of Harley met June 3 and made plans for outings that will soon appear on the calendar. Thanks to all the ladies who came out to support LOH #4769 with your good ideas and great attitudes. Electric City HOG will be more fun because of your input. We have fun things planned and I look forward to helping make the ideas suggested happening in real life. Watch the calendar everybody.

The ladies' dinner club is planning to get together on Wed., June 17, at Raines on Main at 6 PM. It is Wing Night on Wednesdays, and the ladies are planning to play pool there as well. All members are invited to join them but be warned: we may have pool sharks in LOH. 😊

Currently, our chapter has two new challenges going on at the same time along with our annual mileage and Road Captain Challenges. The first one is the Upstate 8 Challenge which has 12 locations and you are required to go to at least 8 of the 12 to earn a patch. Upstate 8 contest runs till November 30, 2026. See Melissa to join.

The 2nd challenge started by the Myrtle Beach HOG chapter is the Palmetto Pioneer Challenge. The PPC has 8 landmarks and 8 dealerships and is open to all 7 HOG groups in SC. This one ends in 2 months (July 31), so you have time to join. There are two locations that are included in both challenges: Cowpens Battlefield & Kings Mountain State Park.
